

GELCOAT RETOUCH'

RETOUCH PAINT FOR GELCOAT CREAM - PURE WHITE - SIGNAL WHITE

DESCRIPTION

GELCOAT RETOUCH' is a white paint specially formulated for use on fibreglass (epoxy resin, gelcoat and polyester resin).

Quick and easy application saves you time and effort. Fast drying. Good coverage.

GELCOAT RETOUCH' is not flaked off with time and respects the support's quality namely its texture and its aspect.

GELCOAT RETOUCH' resists to ultraviolet rays.

TECHNICAL DATA :

Physical state : Fluid liquid.

Spray : Pressure to 20°C : 4.0 bars \pm 1 bar

booster colorless liquid propellant / exploded characteristics

(%vol) : 1.1 - 9.5

Vapour pressure (50°C) : Below 110 kPa (1.10 bar).

Density : < 1

INSTRUCTIONS OF USE :

First of all, clean the support to be treated in order to remove stains and dust. Remove non-adherent parts of paint. Let dry and mask the parts to be protected. Well shake the aerosol.

Pass a first layer of paint while spraying to 20/25 centimetres of the support by sweeping surface regularly.

Do it again 2 times : Work in cross layers i.e. the first spray in the horizontal direction.

Wait for few minutes that this layer is dry and carry out the second layer in the vertical direction.

Treated surface is dry into 20 minutes at a temperature of 20°C.

To make this task successful, keep the distance between the support and the tube of the aerosol that is about 20/25 centimetres. Especially, do not forget to clean the tube of the aerosol head in bottom at the end of work. Coverage : +/- 2m2.

185M - Cream - Aerosol 150ml

**187M - Pure White - Aerosol
150ml**

**188M - Signal White - Aerosol
150ml**

Shelf Life : 18 months

Keep out of the reach of children. Reclose the packaging after each use.

Exposure to sun and extreme temperatures should be avoided. Keep out of direct sunlight.

Always carry out a test prior to use on the surface to be treated to determine suitability and the appropriate contact time. Before use, read the label safety section for Health and Safety Information or request the safety data sheet to servicetechnique@mattchem.fr.
