

GUM-U

SOLVENT GLUE FOR COCKPIT CEILINGS

DESCRIPTION

GUM U is a quick, easy to use aerosol adhesive

GUM U is specially designed glue for sticking cockpit ceilings.

GUM U has an excellent adhesion to most surfaces – paper, coated paper, cardboard, canvas, stone, wood, coated wood, glass, most plastics, fiberglass, metals, fabric, foam, cork, leather, rubber and painted surfaces..

As **GUM U** is packed in an aerosol can, it is easy to apply

GUM U does not dry immediatly.

Open time: 10 to 20 minutes at room temperature.

- Not to be use if ambient temperature is below 5°C or above 40°C
- Protect the work surface to prevent contamination caused by overspray
- Test product on a small area before using on new or unfamiliar applications and materials
- Always clear the nozzle after use by inverting the can and spraying for a few seconds
- When working with product, it is advisable to wear gloves and safety glasses in order to avoid direct contact with the skin or eyes.

INSTRUCTIONS OF USE :

The surfaces must be clean, dry, and free of loose materials, dust, dirt, rust and any other contaminants.

Shake can thoroughly before use.

Spray both surfaces. Spray adhesive evenly from 25 cm to 30 cm away, avoiding overspray on surrounding surfaces

Allow adhesive to dry for 1-3 minutes and press together surfaces.

Coverage : $5 \text{ m}^2 / 500\text{ml}$

Ref. 923M - Aerosol 500ml

Shelf Life : 8 months

Keep out of the reach of children. Reclose the packaging after each use.

Exposure to sun and extreme temperatures should be avoided. Keep out of direct sunlight.

Always carry out a test prior to use on the surface to be treated to determine suitability and the appropriate contact time. Before use, read the label safety section for Health and Safety Information or request the safety data sheet to servicetechnique@mattchem.fr.
