MOKLIN cleans and degreases rapidly.

MOKLIN removes stains on carpets and carpets without altering the colors of fibers.

MOKLIN works even with very hard water.

MOKLIN does not leave any trace deposits, nor any marks

MOKLIN dries quickly.

MOKLIN is a long lasting anti-static.

TECHNICAL DATA

- Physical state : Liquid
- Density : 1050 g/l +/- 20 g/l.
- Chemical reaction : Alcaline
- pH at 5 % : about 11,10
- Superficial tension at 1 % : 35,1 dyne/cm

INSTRUCTIONS OF USE

Apply with an injection/extraction machine.
Diluted before use at a rate of 10 caps per 5 liters of water.
Fill the machine tank with the solution.

For spray application, diluted before use at a rate of 5 caps per 1 liter of water. Spray 15-20 cm from the surface to be cleaned.
Use small surfaces. Scrub with a brush, soft lint-free cloth or microfiber until traces disappear. Allow the foam to act for a few minutes.
Let it dry or pat dry with a towel or vacuum to give the fibre some swelling.

Réf. 269M - Bottle 1 litre

Shelf life : 3 ans

Keep out of the reach of children. Reclose the packaging after each use.
Exposure to sun and extreme temperatures should be avoided. Keep out of direct sunlight.
Always carry out a test prior to use on the surface to be treated to determine suitability and the appropriate contact time. Before use, read the label safety section for Health and Safety Information or request the safety data sheet to servicetechnique@mattechm.fr.
