## SIMPLY DOSE® range

### ENZYMATIC DISH CLEANER IN EFFERVESCENT TABLET

#### DESCRIPTION

SIMPLY DISH is a rapidly dissolving cleaning tablet that remains highly effective even in areas with hard water. SIMPLY DISH is rich in active ingredients. It is a preparation based on an association of non-ionic surfactants selected for their biodegradability and specific enzymes, cleaning agents and bleaching agents.

SIMPLY DISH ensures the penetration, liquefaction of organic matter and deposits. Is also active on fatty residues of vegetable or animal origin.

SIMPLY DISH has a bio-cleansing action on organic matter, food waste, protein clumps, fats and sugars.

SIMPLY DISH, being pH neutral, does not affect fragile surfaces, light alloys (aluminum).  
Does not change the pH of waste water.

SIMPLY DISH is low-foaming and has a pleasant citrus smell.
