

TECK NET

TEAK CLEANER WITH BUILT-IN ABSORBER

DESCRIPTION

TECK-NET is a stain remover developed to remove greasy marks from teak.

TECK-NET quickly removes accidental marks on teak, without affecting the texture of the wood.

TECK-NET absorbs the stains quickly, allowing the cleaning solvents to disappear through evaporation and a light brushing.

TECK-NET does not leave a ring or any other mark on the teak.

TECHNICAL DATA :

- Physical state : Fluid liquid.
- Spray pressure to 20°C : 2.5 bars
- Booster colorless liquid propellant / exploded characteristics (%vol) : 1.8 - 9.5
- Vapour pressure (50°C) : Below 110 kPa (1.10 - bar).
- Density : < 1
- Water solubility : Insoluble

INSTRUCTIONS OF USE :

- Shake the aerosol can before spraying
- Spray in short bursts about 15cm from the teak
- Wait until dry and the solvent ring has disappeared
- Brush lightly

If the head of the aerosol gets blocked, wash it under water

Ref. 651MA - Aerosol 250ml

Shelf Life : 3 years

Keep out of the reach of children. Reclose the packaging after each use.
Exposure to sun and extreme temperatures should be avoided. Keep out of direct sunlight.
Always carry out a test prior to use on the surface to be treated to determine suitability and the appropriate contact time. Before use, read the label safety section for Health and Safety Information or request the safety data sheet to servicetechnique@mattchem.fr.
