

# VEGE 100

## VEGETABLE SOLVENT FOR P.U AND SILICONE BASES SEALANT

### DESCRIPTION

**VEGE 100** is a degreasing cleaner based on 100% natural vegetable solvents (free of petroleum solvents, halogen or chlorinated derivatives, aromatic petroleum solvents)

**VEGE 100** contains surface-active agents in compliance with biodegradability standards.

**VEGE 100** is emulsifiable and rinsable with water.

**VEGE 100** penetrates, dissolves and emulsifies dirt, residues, stains like: grease, sludge, mineral or vegetable oil, impressions of adhesives, stickers, silicone sealants.

**VEGE 100** allows cleaning and degreasing of most steel, light alloy, chrome, aluminum surfaces, in anodized aluminum, in copper, in ceramic ...

**VEGE 100** requires a prior compatibility test with non-resistant painted surfaces or recent application as well as with certain surfaces made of plastic or composite materials.

### TECHNICAL DATA :

Physical State: Clear liquid.

Density: 870 g/l +/- 20 g/l.

Chemical Reaction: Neutral.

Smell: citrus

### INSTRUCTIONS OF USE :

**VEGE 100** is packaged in an aerosol can.

Well shake the aerosol before use.

Spray **VEGE 100** at 10 - 15 centimeters from stains.

Depending on the state of the dirt, leave for a few moments and then finish by scraping or wiping with a cloth according to the support.

Rinse with water, preferably warm or hot.

In the case of a porous surface, spray on a cloth and proceed by impregnation.

Then wipe dry.

**Ref. 603M - Aerosol 150ml**

Shelf life : 3 years

Keep out of the reach of children. Reclose the packaging after each use.

Exposure to sun and extreme temperatures should be avoided. Keep out of direct sunlight.

Always carry out a test prior to use on the surface to be treated to determine suitability and the appropriate contact time. Before use, read the label safety section for Health and Safety Information or request the safety data sheet to [servicetechnique@mattchem.fr](mailto:servicetechnique@mattchem.fr).
